I am very satisfied with the service received from Merdu-Merdu. Both Gosia and Paulina are very kind and professional with the dogs and me. Some weeks I have required flexibility and change of schedule, sometimes increasing more service on the weekend. They have been able to accommodate me and the dogs very well. The dogs are also satisfied clients as they are always very happy when Gosia (and Paulina) arrives.

I appreciate the additional service of helping to buy small toys and treats for the dogs that can be difficult as a foreigner.

I would strongly recommend Merdu-Merdu service to anyone looking for reliable dog walkers or obedience trainers.
